Title

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER TO SOUTHERN SEWER EQUIPMENT SALES IN AN AMOUNT NOT TO EXCEED \$170,000.00 FOR THE PURCHASE OF A STREET SWEEPER INCLUDING THE EXTENDED WARRANTY FOR THE CAB, CHASSIS AND SWEEPER AUXILIARY ENGINE; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

Staff Summary

Background

The City Council approved a line of credit to purchase new and replacement vehicles and heavy equipment for the City departments. One of the equipment considered in this approval was a street sweeper. The Public Works Department Street Division requires a street sweeper to clean the City streets and to eliminate debris from entering into the storm drainage system.

Analysis:

Staff demonstrated two sweepers and based on functionality, dependability and total cost, decided that a TYMCO 600 would best meet all of the needs.

K-11) CONSENT AGENDA

Issue Purchase Order for purchase of
Street Sweeper

The Florida Sheriffs Association competitively bid for regenerative air street sweepers and awarded to the lowest, responsive, responsible vendors in each region of the State. Southern Sewer Equipment Sales., located in Ft. Pierce, Florida, was awarded the bid #07-15-0827 in October 2007, for the Regenerative Air Street Sweeper in the southern region.

Recommendation:

That the City Council approve the attached resolution authorizing the City Manager to issue a purchase order to Southern Sewer Equipment Sales, in an amount of \$169,139.00 which includes the extended warranty for the cab, chassis and sweeper auxiliary engine.
